

## **?-Glucanase Assay Kit (Malt and Microbial)**

### **Product Information**

---

**Cat.No.**

Kit-0858

---

**Product Overview**

&beta;-Glucanase (Malt and Microbial) Assay Kit is suitable for the measurement and analysis of malt and bacterial &beta;-glucanase and endo-1,4-&beta;-glucanase.

---

**Size**

100 assays

---

**Detection method** Spectrophotometric at 590 nm

---

**Features & Benefits**

Very cost effective All reagents stable for >2 years during use

---

**Assay time**

~ 30 min

---

**Sensitivity**

100 U/kg of malt

---
